

## **Environmental Management Policy Statement**

Thames Valley Security Services (UK) Limited recognises that our day-to-day activities impact on the environment in ways which are positive and negative. We wish to minimise these harmful effects wherever and whenever Practicable and will work to secure business benefit from environmental protection.

Thames Valley Security Services (UK) Limited is committed to the prevention of pollution and will work to minimise the impact of its operations through a continuous improvement programme.

In particular, we will:-

- Reduce harmful emissions wherever practicable
- Seek to reduce consumption of materials in our operations and promote recycling and the use of recycled materials
- Manage energy and water usage wisely in all our operations
- Incorporate environmental considerations into the procurement of goods and services

To achieve these we will:-

- Allocate sufficient management resources to ensure effective implementation of the environmental policy
- Motivate and educate our employees to conduct their activities in an environmentally responsible manner
- Measure, Monitor and Report on key indicators of our environmental performance on an annual basis
- Review our policy on a regular basis to take account of new developments in environmental management and legislation and also stakeholder expectations
- Perform periodic audits of our activities to ensure compliance with company requirements, legislation and policy requirements

Thames Valley Security Services (UK) Limited recognises that the effective implementation of the policy represents an opportunity to improve the performance of the Company by reducing environmental risks and impacts and increasing the efficiency of our operations.
